

Help our City get rid of E-Waste the right way by sending it to a proper recycling process and not into the landfills!

- Electronic discard is one of the fastest growing segments of this nation's waste stream.
- 56% of American households have functional e-products that they no longer use.
- 70% of heavy metals, 40% of lead and mercury contents found in today's landfills come from E-Waste.
- New federal mandate requires that television stations switch from analog format to digital format, which means a greater number of televisions will become obsolete within the next several years.

For E-Waste Collection Event Date, Time and Location:

**Saturday & Sunday, March 6 & 7, 2010
From 9:00 am to 4:00 pm**

Hosted by the
San Gabriel HS--
PTSA

(South Parking Lot)
801 South Ramona Street
San Gabriel, CA 91776**

For more information, please contact San Gabriel High School at (636) 308-2352, or e-mail us at sghspts@gmail.com.

What is "E-waste"?

E-Waste is any consumer electronic equipment that has reached its 'end-of-life' or 'end-of-usage,' whether in full or non-working condition. It includes most electronics or electric appliances with a cord or circuit board such as:

Computer Monitors, Television sets, PC Systems, Printers, Laptops, Copiers, Scanners, Fax Machines, Toner Cartridges, UPS & PDAs, Power Supplies, Main Frame Units, Networking Equipment, Mother Board Systems, VCR/VCD/DVD Players, Home Entertainment Systems, Landline and Cellular Phones, & Small Portable Devices. We also accept car and forklift batteries. There is a \$5.00 service fee for Microwave Ovens. We do not accept: Refrigerators, Washer and Dryers, Fluorescent Light Bulbs, and Household Batteries.
