

## **FREE e-Waste Collection Event for San Gabriel High School**

The high school's Parent Teachers & Student Association (PTSA) will be hosting a Free e-Waste Collection Event as part of the schools fundraiser and to also help make the school and community a greener world so that they can help divert e-Waste items that would otherwise go into the landfills.

The e-Waste items that will be accepted are:

Computer monitors, television sets, VCR/VCD/DVD players, landline and cellular phones, small portable devices, PC systems, printers, laptops, copiers, scanners, fax machines, toner ink cartridges, UPS & PDAs, power supplies, main frame units, networking equipment, mother board systems, and home entertainment systems. They will also accept car and forklift batteries.

The items that will not be accepted are refrigerators, washer and dryers, fluorescent light bulbs, and household batteries.

They will host this event at the school's south parking lot (entrance on Grand Ave at the intersection of Ramona Street), and set up an easy drive-thru style drop off, where the employees from Greener World Recycling will collect and carry away the e-Waste items from the donor. This is a free event open to the public, residence and all businesses.

If the items are too heavy or there is too much to bring to the event at one time, the donor can also make arrangements with the company to come to the home or business to pick up items as well.

Where: San Gabriel High School,

South Parking Lot

801 South Ramona Street

San Gabriel, CA 91776

Located at the intersection of Ramona Street and Grand Ave.

When: March 7 and 8 (Sat. & Sun), 2009
